**BRIEF REPORT**

**Women's Day Celebration**

Date : 8<sup>th</sup> March 2017

Time : 11:00am to 1:00pm

Venue : SIBAR Auditorium

The MCA Department of Sinhgad Institute of Business Administration and Research under Sinhgad Technical Education Society, Pune celebrated Women's Day on 8<sup>th</sup> March 2017.

The programme began with lightening of lamp by our Director, Dr. Arpita Gopal and Sarswati Vandana. Around 235 students and faculties of SIBAR were present for the celebration of Women's Day Programme.

Dr. Arpita Gopal, Director SIBAR MCA told the history behind celebrating Women's day to the students. She expressed her views on ending the discrimination that women and girls face every day around the world. She brought into focus the issue of girl child education as in India still a girl's education is not considered as important as a boy's and girls will often be overlooked in favour of their brothers. She insisted that education is very crucial for development and is one of the most powerful tools in breaking the cycle of poverty and gender discrimination.

At the end of programme, Ms. Archana Nair, Assistant Professor SIBAR MCA delivered vote of thanks to the participants. About 250 participants involving students and faculties attended and participated in the programme.

**BRIEF REPORT**

**Seminar on “Save Girl – Save Nature”**

Date : 28<sup>th</sup> September 2016

Time : 2:00pm to 4:00pm

Venue : SIBAR Auditorium

The MCA Department of Sinhgad Institute of Business Administration and Research under Sinhgad Technical Education Society, Pune had arranged a seminar on **Save Girl – Save Nature** on 28<sup>th</sup> September 2016.

The seminar began at around 2:00pm which was attended by around 251 students and faculties of SIBAR. The Director of MCA Program, Dr. Arpita Gopal welcomed and felicitated the guest.

A distinguished personality Lt. Col. Sameer Kulkarni, expressed his concern about increased female foeticide and need to change the mindset of society to prevent it. He further said that girls are pillars of the society we kill them before taking birth or do not care after taking birth then we will not get a daughter, sister, wife or mother in future. He raised the question that if anyone of us had ever thought about the consequences of imbalance in the proportion of girls and boys in the society and its impact on the nature. He also presented some examples of imbalance of nature due to disproportionate ratio of boys and girls.

At the end Ms. Swapna Kulkarni, Assistant Professor SIBAR MCA delivered vote of thanks to the guests and participants. About 251 participants involving students and faculties attended and participated in the seminar.
